LCF Student Representatives

- Responsibilities
  - To liase with all students within their year and degree programme (via email, online survey, questionnaires etc.) to ensure that any issues that students wish to raise are placed on the agenda.
- Have opportunity to obtain NAA credits.
- Compulsory trainings for LCF students
  - To deal with issues and complaints professionally.
  - How to report the issues to the LCF staff clearly and concisely.
  - How to collect feedback.
- LCF Meetings (staff and student representatives)
  - 1 in Spring semester and 2 in Autumn semester.
- We would like to have two or three LCF student representatives (hopefully with at least one is foreign student), each from CS and CSAI.
  - Please email your information to Bryan (degree programme, gender, and nationality).

- Quality Assurance
- Marking of Assessments
- Plagiarism, Cheating and Academic Misconduct

University of Nottingham
UK | CHINA | MALAYSIA

Academic Integrity and Disciplinary Officer

Dr Matthew Pike (Matt)

University of Nottingham
UK | CHINA | MALAYSIA

Academic Misconduct

- Preserving Academic Integrity
- Key Points:
  - Third-Party Sources must be referenced
    - Code
    - Essays
  - Discussing work with colleagues is probably fine.
    - Codeveloping solutions is not.
  - Do not take notes into an exam. This is always considered misconduct.
